

SUMMERWIND CANINES DOG TRAINING
at

To our valued Clients,

Sacramento Animal Hospital would like to take a moment to thank you for choosing to train your dog with us. In an effort to make the check-in process easier, we need your completed registration form, dog's vaccine records and payment 3 days prior to the start of your training class. You are welcome to email us the form and vaccine records and pay over the phone, or stop by our location at your convenience. For the Puppy Star Class, your dog must be vaccinated with at least one DHPP. For the Basic Manners Class, your dog must be current on Bordetella, DHPP, and Rabies at 16 weeks and older, that have been administered by a veterinarian. We recommend pets receive these vaccines at least 2 weeks prior for full immunity, when possible.

If you have questions, please give our staff a call at (916) 451-7213 or visit our website at www.mysacvet.com for more information. You can also visit our trainer's website at www.summerwindcanines.com

Sincerely,

Sacramento Animal Hospital
